The 2010 Summer Experience

Strong passions light up the horizons of our being

Ernst von Feuchtersleben

Passion for life means enjoyment in a variety of ways: panoramas with seemingly endless views. The shimmering turquoise of the lake. The noble architecture of the hotel. The subtle elegance of design. The exquisite award-winning cuisine. The legendary events. The moments of calm. The genuine hospitality.

It is our passion to strive for excellence in a variety of ways: three lillies for the unique architecture of our Spa, its outstanding facilities and quality of treatments. Two chefs hats for the delectable creations by head chef Richard Hessel and his brigade. The International Bar Lounge Trophy awarded by the world's most discerning Hotel Association Relais & Châteaux, for courtesy, know-how and exclusive atmosphere. Our strongest passion is you – our esteemed guest – and our commitment to making your stay at Hotel Schloss Seefeld unforgettable and bright.

We look forward to welcoming you to the Seefeld in summer 2010
