

Hotel Schloss Seefeld

★★★★★

Winter Specials 2009/2010

Nature and lifestyle are more than just two words.

Lichtenberg

Hotel Schloss Seefeld is renowned as the most atmospheric retreat on Lake Wörthersee. A classic Relais & Châteaux hotel, it enjoys a truly superb lakeside location combining all the advantages of a spectacular setting and refined lifestyle. Its architecture is in harmony with nature, making it the ideal escape if you seek wellbeing, peace and 'time out'.

This year we focus our winter specials on this trilogy – time, peace and wellbeing. During Advent you can enjoy peace and quiet and some pre-Christmas magic in our beautifully decorated hotel. The festive season itself promises to be a culinary and musical extravaganza. Encounter the snow on your terms – when skiing, winter walking or relaxing in the Felsen & Lake Spa while enjoying dreamy views of the enchanting, snow-covered scenery of the Karawanken Mountains and Julian Alps.

You'll soon find out there is much more to winter at Hotel Schloss Seefeld than meets the eye.

We look forward to welcoming you!
