> Conclusion

> Great location on Lake Wörthersee, stunning views and lovely gardens contribute to a wonderful setting. The buildings are very well maintained and in excellent condition, both internally and externally. The gardens are extremely well presented; the standard of maintenance is exceptional.

> Spacious and luxurious bedroom and bathroom. Vibrant, cheering decor; well appointed and sound upkeep. Superb bathroom. Spacious and stylish public areas, classically furnished and comfortable. Extensive leisure facilities; tennis, spa, swimming, cycling, sailing, water skiing and so on.

> The restaurant operation is impressive; simple food but consistently; excellent fresh produce and professional and friendly service. First-rate breakfast.

> The staff were exemplary; I found them to be without exception, hospitable, friendly and keen to please.

> Overall

> I thought Schloss Seefels was an outstanding hotel in all respects; the stay was a pleasure from start to finish. The staff I met were, without exception, a delight. The standards of the hotel keeping in all areas are a benchmark in how to operate a resort hotel. Schloss Seefels is a first class operation; I cannot see any issues with membership going forward to 2008.
